Dear Sir,

RE: Kresta Holdings Limited (ASX Code: KRS)
Request for Voluntary Suspension

I refer to Kresta Holdings Limited's (the "Company") application for a Trading Halt to be applied by ASX to the Company's quoted shares effective from 9 September 2010. The Company is not in a position to make an announcement to the ASX before commencement of trading on 13 September 2010 and as a consequence seeks a voluntary suspension to be applied to all of the Company's quoted shares effective 13 September 2010.

In accordance with Listing Rule 17.2 we provide the following information in relation to this request:

1. The Company is seeking voluntary suspension pending the release of further announcements addressing the Company's inventory assessment which is being conducted by the Company's accountants and auditors;
2. As previously announced to the ASX the Preliminary Final Report (Appendix 4E) noted that the accounts were in the process of being audited. Ongoing assessment requested by the independent directors indicates that there is concern as to the recording of the Company's inventory;
3. We would like the suspension to last until the Company makes an ASX announcement in respect of the inventory assessment;
4. We are not aware of any reason why the voluntary suspension should not be granted.

Should you have any queries in this matter, could you please telephone Ian Trahar.

Yours faithfully,
Kresta Holdings Limited

Ian Trahar
Non-Executive Chairman
