Directors' report

Your directors of Kresta Holdings Limited submit their report for the half-year ended 31 December 2010.

Directors

The names of the Company's directors in office during the half-year and until the date of this report are:

Peter Hatfull, ACA, MAICD (Non-executive Chairman)
Ian Trahar, B.Ec., MBA, MAICD (Non-executive Director)
Trent Josiah Bartlett, Grad Dip Bus, FAICD (Non-executive Director)
Tass Zorbas (Managing Director), retired 6th September 2010

On 2nd February 2011, Ian Trahar resigned as Chairman and Peter Hatfull was appointed as Chairman.

The directors were in office from the beginning of the half-year until the date of this report, unless otherwise stated.

Review and results of operations

The profit for the current half year includes \$874,000 relating to the estimated termination costs of the previous CEO and Company Secretary (\$612,000 after tax).

Excluding those termination costs profit after tax was \$2,181,000 down 49% from the prior year and earnings before Interest and tax was \$3,578,000 down 45% on the prior year.

As announced at the Annual General Meeting the retail trading conditions have been very soft this half year when compared to the previous year. During the previous financial year the Federal Government stimulus package had a significant impact on the Company's sales and the winding back of the stimulus and recent interest rate rises have, in your Board's opinion, been a significant factor in the decline in revenue compared to the prior period. Furthermore, Reserve Bank data and commentary show that the savings rate for Australian households increased over the 2010 calendar year, at the expense of discretionary expenditure and exacerbating the decline in demand. This trend started in April 2010 has continued through the current half.

The significant volatility in earnings in recent periods is a function of the high fixed and near fixed cost base of the Company which provides a high degree of leverage to any changes in revenue - both up and down. In the previous financial year, very good trading conditions for the reasons outlined above led to exceptional earnings. This half year lower revenue has resulted in the Company returning to the levels of profitability of the 2008 / 09 financial year. The Company continues to maintain its investment in advertising to position itself well for any improvement in consumer sentiment.

There has been an underinvestment in product development, training and information technology by previous management which has left the business vulnerable to the downturn in consumer spending and increased competitive activity. Your Board is actively seeking to address these issues.

During this half year Curtain Wonderland commenced operations in Western Australia opening two stores with a further three stores scheduled to be opened in the second half of this financial year. In Queensland and New South Wales Curtain Wonderland refurbished and relocated four stores and further two relocations/refurshishments are planned for the second half. One new Kresta store in Adelaide and one new Vista store in Sydney were opened this half year and further 3 stores were refurbished.

Directors' report (continued)

Review and results of operations (continued)

The Company commenced the manufacture of awnings in Western Australia giving the Company the manufacturing capacity to expand this product range into the Kresta and Vista distribution network.

In relation to the widespread flooding in Queensland, while the Company has a significant presence there primarily through Curtain Wonderland it has been fortunate to escape any losses, and only one Vista showroom in Toowoomba suffered immaterial loss. However, the directors consider the Group has adequate insurance cover. While a number of the Company's retail stores and showrooms were inaccessible or without power for a number of days, all the Company's locations are open for business as normal with the exception of Toowoomba. Trading levels are down but expected to improve.

The Company has contributed \$15,000 to the Queensland Premiers Disaster Relief Appeal and is looking at further ways to assist flood victims.

The Company is in a solid financial position with net debt at 31 December 2010 of \$1,150,000 comprising gross debt of \$9,808,000 and cash of \$8,658,000, total shareholders funds of \$22,101,000 and net tangible assets of \$18,942,000. Net tangible asset per share was 13.1 cents.

Outlook

While the retail outlook remains uncertain the Company continues to trade profitably albeit at lower levels of earnings and the Board is confident with the strategy the new management is pursuing.

Due to the lower earnings the Directors are planning to pay a fully franked dividend of around 0.5 cents per share compared to the previous period of 2.0 cents per share fully franked.

Rounding

The amounts contained in this report and in the financial report have been rounded to the nearest \$1,000 (where rounding is applicable and where noted (\$'000)) under the option available to the Company under ASIC Class Order 98/0100. The Company is an entity to which the Class Order applies.

Notes to the consolidated financial statements

For the half-year ended 31 December 2010

1. Basis of preparation and accounting policies

(a) Basis of preparation

This general purpose condensed financial report for the half-year ended 31 December 2010 has been prepared in accordance with AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

The half-year financial report does not include all notes of the type normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the consolidated entity as the full financial report.

It is recommended that the half-year financial report be read in conjunction with the annual report for the year ended 30 June 2010 and considered together with any public announcements made by Kresta Holdings Limited during the half-year ended 31 December 2010 in accordance with the continuous disclosure obligations of the ASX listing rules.

The condensed financial report has also been prepared on a historical cost basis, except for derivative financial instruments that have been measured at fair value.

The financial statements are presented in Australian Dollars and all values are rounded to the nearest \$'000 except where otherwise indicated.

(b) Changes in accounting policy

Since 1 July 2010, the Group has adopted all the Standards and Interpretations, mandatory for annual periods beginning on or after 1 July 2010. Adoption of these Standards and Interpretations did not have any effect on the financial position or performance of the Group.

The Group has not elected to early adopt any new standards or amendments that are not mandatorily effective.

(c) Significant accounting judgments and estimates

The preparation of a consolidated interim financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

In preparing this interim financial report, the significant judgements made by management in applying the Group's accounting policies, and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial report as at and for the year ended 30 June 2010.

We have reviewed the accompanying half-year financial report of Kresta Holdings Limited, which comprises the statement of financial position as at 31 December 2010, and statement of comprehensive income, statement of changes in equity and statement of cash flows for the half year ended on that date, other selected explanatory notes and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at 31 December 2010 or from time to time during the half year.

Directors' Responsibility for the half-year Financial Report

The directors of the company are responsible for the preparation and fair presentation of the half-year financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the Corporations Act 2001. This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the half-year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of Interim and Other Financial Reports Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2010 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Kresta Holdings Limited and the entities it controlled during the half-year, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the Directors' Report.
